2. Each entry must be constructed to withstand weather conditions. Scarecrows must be firmly packed. If fresh vegetables or other perishable items are used, replace as necessary. Creators are responsible for keeping their scarecrow in good viewing and photographing condition from setup until award day. Any scarecrow deemed "ruined" by VIS must be removed in 24 hours.

When designing your scarecrow, please remember this is a family event. VIS reserves the right to not accept any scarecrow that is deemed to be inappropriate. No politically themed scarecrows will be accepted.
