If group, name of designated individual: _____

Address: _____

Phone: _____ Email: _____

Name of scarecrow: _____

If you're entering as part of the Thompson Farm Passport program, check here: _____

CONTEST RULES

1. Each entry must sit or stand on its own props. No props will be provided. Stakes may be driven; however, ground must be left as before scarecrows arrived. Do not drive nails into trees. No electricity or batteries may be used. Rubber, plastic, and store-bought masks are not allowed.
2. Each entry must be constructed to withstand weather conditions. Scarecrows must be firmly packed. If fresh vegetables or other perishable items are used, replace as necessary. Creators are responsible for keeping their scarecrow in good viewing and photographing condition from setup until award day. Any scarecrow deemed "ruined" by VIS must be removed in 24 hours.
3. All scarecrows must be named. Scarecrows submitted by businesses may use or incorporate their logo or business name, but it cannot take up more than 20% of the overall design. When designing your scarecrow, please remember this is a family event. VIS reserves the right to not accept any scarecrow that is deemed to be inappropriate. No politically themed scarecrows will be accepted.
4. Votes will be cast by the viewing public. Ballots will be available (and can be cast) in the wooden box next to the scarecrows. Votes may be cast from Sunday, October 20, through Saturday, October 26 at 6pm.
5. Prizes will be awarded on Sunday, October 27 at 11am. Entrant(s) or a designated representative must be present to receive award.
6. Scarecrows must be broken down and removed by Saturday, November 2 at noon.
